

Ms. Totten's
Fourth Grade News

October 11, 2013

kelley_totten@gwinnett.k12.ga.us

P.E.- Wed./Fri.

Math

*We will be working on multiplying multi-digits next week using partial product.

*Please make sure you review basic multiplication facts with your child!

Social Studies

*Explorers- Columbus, Cabot, Ponce de Leon, Cartier, Hudson, Amerigo Vespucci

* We are beginning an explorer project next week, which we will spend time in class working on!

Science

* We are wrapping up our weather unit on weather instruments, clouds, weather symbols, and how to read a weather map.

*The Weather Study guide is posted on my website!

Dates to Remember

Field Trip Money (\$18) is due ASAP.
Please let me know if you would like to help chaperone!!!!

Weather Test is on Friday, October 18.

Mega Minute Celebration is Friday, October 18 from 9:35-10:05

Reading

*Inferencing & Main Ideas

Language Arts

*We are wrapping up our final informational piece drafts about our favorite Native American Tribe. Your child is learning how to write subtitles, pictures with captions, descriptive topic sentences, and organized paragraphs based on main ideas.

Word Study

*Word Study Quiz on Friday- Words are pasted in your child's agenda book.
