

Ms. Totten's
Fourth Grade News

October 5, 2013

kelley_totten@gwinnett.k12.ga.us

P.E.- Mon./Wed./Fri.

Math

*We will be working on multiplication next week!

*Please make sure you review basic multiplication facts with your child!

Social Studies

*Explorers- Columbus, Cabot, Ponce de Leon, Cartier, Hudson, Amerigo Vespucci

Science

* We are continuing to learn about weather instruments, clouds, weather symbols, and how to read a weather map.

Dates to Remember

Field Trip Money (\$18) is due ASAP.
Please let me know if you would like to help chaperone!!!!

We had some AWESOME Native American projects!!!! Thank you for the support at home ☺

Reading

*Encounter by Jane Yolen- Summarizing & Main Ideas

Language Arts

*We are working on an informational piece about our favorite Native American Tribe. Your child is learning how to write subtitles, pictures with captions, descriptive topic sentences, and organized paragraphs based on main ideas.

Word Study

*Long/Short "e"

*Word Work Quiz on Friday

Class News and Reminders

Interim testing begins next week over Science, S.S., Math, and L.A.
